Subject: FW: EXERCISE EXERCISE EXERCISE- Eagle Horizon Information Update

Strictly FYI – just thought I'd share the EXERCISE EXERCISE EXERCISE emergency drill from this week; it was completed this afternoon. NCEA had no expertise in the needed areas so we didn't have scientists participate in the response to this scenario. I participated in a brief ORD Mgt check-in call late in the day yesterday. There was a COOP email response drill for NCEA-PY yesterday afternoon, to which we had somewhat mediocre response from NCEA staff and I plan to send an email reminder about the importance of COOP and being prepared for emergencies. I imagine that there will be follow-up activities and I'll let you know what I hear.
